

Annual Governance Statement for the Governing Body of Lewknor C of E Primary School
September 2025

In accordance with the Government's requirement for all governing bodies, the 3 core strategic functions of Lewknor C of E Primary School Governing Body are:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the Headteacher to account for the educational performance of the school and its pupils;
3. Overseeing the financial performance of the school and making sure its money is well spent.

Governance arrangements

The Governing Body of Lewknor C of E Primary School is made up of 2 staff governors (including the Headteacher), 3 elected Parent Governors, 1 Local Authority Governor, 2 Foundation governors and 3 co-opted governors.

The full Governing Body meets five times a year, and we also have a number of committees to consider different aspects of the school in detail. We have a Resources Committee, which focuses on finance, premises and some personnel matters, a Curriculum Committee, and a Pay and Performance Committee.

Attendance record of governors

Governors have excellent attendance at meetings and we have never cancelled a meeting because it was not "quorate" (the number of governors needed to ensure that legal decisions can be made).

The work that we have done on our committees and in the governing body

The Curriculum Committee has spent time considering a range of curriculum issues and governors also discuss key data giving the results of pupil achievement and progress, so that we can be sure that the school is on track to fulfil its ambitious targets for all pupils. We are also concerned about our "vulnerable groups" of children and focus on how the Pupil Premium Grant is being spent by the school and what impact this has on their outcomes.

The Resources Committee looks at the maintenance and development of the school premises, and makes decisions about how the school should use the budget. The Governors work very closely with the Headteacher and other members of staff to ensure that the budget is spent wisely.

	<p>One of the roles for the Governors is reviewing and agreeing school policies, and each year we consider and update a number of key policies, including Safeguarding and Child Protection. These policies are available on the information page on the school website.</p> <p>James Pearce is our SEND link governor. He meets regularly with the Headteacher and school SENCo, reporting to governors on SEND provision in the school.</p> <p>Chris Full is our Health and Safety Governor and carries out regular checks of the premises with the Headteacher.</p> <p>Governors are also particularly concerned about safeguarding and the importance of providing a safe and secure environment for pupils, staff and volunteers. We have a nominated Governor for Safeguarding (Debbie Cavell) who meets regularly with the Headteacher.</p> <p>The Foundation Governors ensure that the school curriculum contributes to community cohesion and that support the school in continuing to develop its distinctive Christian character and ethos.</p>
Future plans for the governors	<p>The Governing Body is focused on supporting continuous improvement across all areas of the school so that the school's ethos is maintained and we continue to raise standards. We have a Governor's Strategic Plan, which sets out our priorities for the next three years. This can be viewed the Governors' page of the school website.</p>
How you can contact the governing body	<p>We always welcome suggestions, feedback and ideas from parents – please contact the Co-Chairs of Governors, Mr David George or Mr James Pearce, via the school office. You can see the full list of governors, their attendance at meetings and more information about what we do, on the Governors' page of the school website.</p>
